

Hospice & Palliative CARECENTER

The 2010 Hospice & Palliative CareCenter Golf Classic
Reynolds Park Golf Course
Winston-Salem, North Carolina
Friday, August 13, 2010

Dear Friends of Hospice ~

We are excited to announce that the 2010 Hospice & Palliative CareCenter Golf Classic is returning to Reynolds Park Golf Course on Friday, August 13, 2010. We are thrilled to serve as host once again for this popular community event. Last year, the tournament was lots of fun and a great success on an absolutely gorgeous day with a full field of participants. In order to make this year's event another success, we invite you to attend as an individual golfer, a captain of a foursome, or as a sponsor. Please take this opportunity to consider your options and sponsorship opportunities. We look forward to partnering with you to make this the best Hospice Golf Classic ever which will benefit the many programs and services we provide that are so vital to our community.

It is because of supporters like you that our mission is made possible. The majority of revenue comes from Medicare, Medicaid and private insurance. This is great news as all of our patients are cared for regardless of their ability to pay. The challenge, however, is that this reimbursement does not cover the total cost of care provided and a shortfall is created. Special events like this generate the necessary funds that help us to bridge the financial gap.

Thank you for believing in our mission and helping us to expand hope and compassion. Whether it is making Hospice available to someone who cannot afford it, attending to the special needs of someone grieving a loss, assisting families with advance care planning, or helping doctors understand new strategies of pain management and comfort, you can help us make a positive impact on real people every day.

With warm appreciation,

Ellen Coble
Vice President of Development
President, Hospice Foundation
